

# NAVIGATE your way to **success.**

Here are just some of the many programs and careers available to Behavioral Health graduates from Pueblo Community College.

**Questions?** Talk to your instructor or academic advisor.

\* – Foundations in social work may be required depending on prior education.  
 + – Certified Addictions Counselor (CAC I and II) requires additional clinical hours.  
 Several areas may require additional certifications and/or experience and testing to become licensed.
